Cale Govindasami

Durban,South Africa,4068 | 0662727852 | calegovindasami@gmail.com

Summary

I am a hardworking student studying Computer Science in Application Development. I'm quite skilled in C# and .NET related technologies. I have a strong desire to create elegant, scalable and well thought out systems for customers. I am very eager to learn and adapt to what is needed of me. I'm a highly motivated team player whose always trying to better myself and grow not just as a developer but a person as well.

Experience

COMPUTER PROGRAMMING TUTOR | 04/2022 - 11/2023
IIE Varsity College - Durban, South Africa

- I assisted students by explaining programming concepts they struggle with.
- I held workshops in which I hosted my own lectures to help students in their weak areas.
- I regularly assisted them with bug fixing.

I.T ASSISTANT | 02/2023 - 02/2023
IIE Varsity College - Durban, South Africa

- I held training sessions for first year students to help them setup their different student accounts.
- I helped walk them through the student portals.
- I assisted them with general I.T queries and troubleshooting.
